Learning for Life

ADULT LEARNING IN CAITHNESS

Spring/Summer 2019

CAITHNESS ADULT LEARNING NEWS

OUTDOOR AND FAMILY LEARNING

Our adult learners have been involved in outdoor learning activities which have been organised in partnership with the HLH Ranger service.
These outings have encouraged our learners to explore their local surroundings and enjoy what the outdoors has to offer in terms of the feel good factor of participating in a physical activity whilst learning at the same time.
And with a wee cuppa made in the Kelley Kettle or toasting some marshmallows, they have also experienced the social aspect too.
The Country Ranger has also offered a pond dipping experience in the Summer holidays where the learners took children along and it was great fun!
These experiences all tie in with Health & Wellbeing which is one area of work we intend to focus on even more in the future.

October – March 2019

- **Engaged with approx. 55 adult learners**
- **Delivered 1,004 learning hours**
- **SQA Numeracy & Communications Core Skills currently being delivered**
- **5 AL volunteer tutors currently undertaking PDA SALL course**

Lifelong Learning

CREATIVE LEARNING

In partnership with HLH You Time

Clock making and lamp making classes were funded through the You Time programme which enables individuals to participate in an activity of their choice. The classes were very successful and there will be futher clock making sessions starting in the Autumn.
Please contact Nina for more information.

BOOK WEEK SCOTLAND

Our adult learners produced some fabulous work on the Suffrage movement to coincide with BWS. This was displayed in Wick Library.

ACTIVITIES & EVENTS

ECCF held its first Christmas shopping event with 36 tables displaying and selling various handmade crafts, jewellery, books, baking and lots more. Adult Learning were lucky enough to secure a table to display the lovely lamp bottles made by the learners and showcase our work. We celebrated a successful year by holding a Christmas party at Newtonhill Cottage.

Coming soon…….

- Book Week Scotland
- Health & Wellbeing project
- SALL tutor training
- Digital skills & Driving Theory

See the current AL programme for more information
