Booking Information Fiosrachadh Clàraidh

To make it easier to book we've given most of our activities an **activity code**. The code helps you specify exactly which activity you want to book onto – for example where there are multiple days or times, or where you are booking for a number of children or for multiple activities at once. You will find the code on the entry for each activity.

Many activities are extremely popular and fill up quickly so unless the activity is marked 'Drop-in', pre-booking is essential.

PRICING

If you have a **family all-inclusive** High Life membership, the cost of many of the summer activities is automatically included in your monthly payment. You will see the 'all-inclusive' price indicated in **LIGHT BLUE** on each activity – where an activity is marked as **FREE**, it is included in your membership.

If you are a **budget** High Life member, the price per person per activity is indicated in **DARK BLUE** on each entry.

If you are **not** a High Life 'all-inclusive' or 'budget' member the price you pay per person, per activity is indicated in **GREY** on each entry.
