Who we are

High Life Highland offers a professional conservation service for archival materials and historic artefacts.

We undertake commissioned work on whole collections or single items.

We provide advice and training to individuals and organisations. Training can be tailored to individual requirements.

- We have two modern, well equipped, conservation studios run by professionally accredited conservators
- Our clients include archives, museums, universities, cultural organisations, estates and private individuals
- Charges start at £35 per hour. We are happy to discuss your needs, advise on the options and supply a quote
