

Create your own Woman Crofter

I am Mary MacLeod. I am 21.
I live on a small island called
Rona with my husband Alistair
and my grandparents. The land
is rocky and no good for crops.
The War broke out in August this
year – I hope that my husband
won't have to go away.

Colour-in, cut-out
and make up your
statue. Stand Mary
on display at home!
