

Highland Archive Service Mission Statement

Highland Archive Service, as part of High Life Highland, enables The Highland Council to fulfil its legal responsibility to preserve and provide access to its public records. Alongside this core function, we are dedicated to collecting, conserving, and making accessible, records that reflect the history and diversity of the Scottish Highlands and its inhabitants. We strive to make these collections as widely accessible as possible in our Archive Centres, through a variety of digital channels, and via an active community engagement programme.

Our mission is to benefit present and future generations, promoting the use of these records in:

- informing local decision-making
- strengthening community and cultural identity
- engaging with communities in ways that enhance learning, representation, inclusion, and equity
- improving health and wellbeing through the study and enjoyment of history
- **Making Life Better** for everyone, across Highland communities and beyond
