

At the Averon Leisure Centre we aim to be as inclusive as possible, therefore this page has been specifically created to offer information and advice to customers who may find having knowledge of our changing and showering facilities of benefit before visiting the centre.

The Averon Leisure Centre has a specific changing area for our customers who might need more assistance than others to get changed

Within our disabled changing area we have provided:

A shower with hand rails

A toilet with hand rails

Adequate space in the changing area for the disabled person and up to two carers

An adult-sized changing bench

A locking door to allow the disabled person and carer some privacy

The changing room is located on the lower floor between the male toilets and the disabled toilet

There is an outdoor ramp allowing access to the lower floor of the building

Group changing rooms are available for use by visiting clubs, groups and organisations.

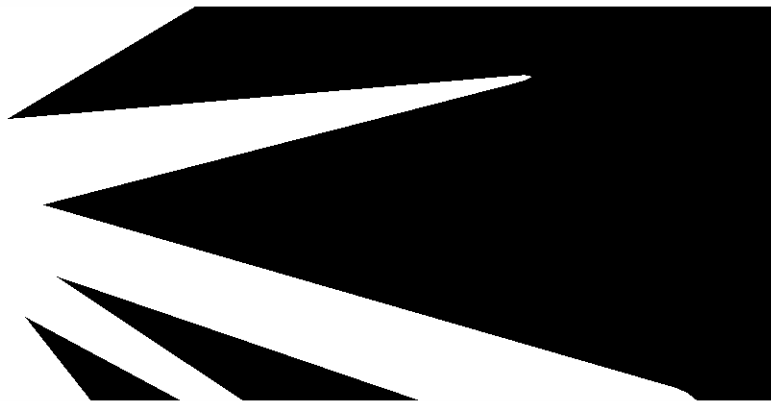

Lockers are located in our Female Change and our Male Change areas and operate on a 20p deposit system

The showering facilities in our Male Change are of a communal nature. Within the same room there is a separate "open" changing area and a toilet cubicle.

The showering facilities in our Female Change comprise three individual showers with shower curtains and screens. There is a hairdryer and a full-length mirror in the Female Change. Within the same room there is a toilet cubicle and an "open" changing area.

Charges for changing & showering

The showering and changing facilities are obviously free when taken along with one of the activities offered at the Averon Leisure Centre however charges apply for individuals and non-members wishing to use the facility solely for changing/showering.

Emergency towels can be purchased at our reception desk.

Further pre-visit information
