

THE USE OF PHOTOGRAPHY EQUIPMENT

Conditions of Use:

1. A registration form for your photography equipment must be completed at reception before any images are taken within this facility. You will be issued with a band, please ensure this is displayed in a prominent position on the equipment.
2. We ask that where possible, you restrict taking pictures to your immediate group and avoid including other members of the public.
3. There is absolutely no filming/photography permitted in the changing areas, toilets or showers.
4. Organised events personnel will be required to inform facility management of arrangements regarding photography.

We ask that you destroy your band when you have finished.
