

INVERNESS MUSEUM & ART GALLERY

FREE Collections Engagement Loans service

Inverness Museum & Art Gallery's Collections Engagement loans service provides museum objects, specimens and other resources to schools and community groups throughout the Highlands.

Our popular 'loans boxes' are themed and contain a mix of genuine artefacts and replicas along with notes and background information on the subject.

The taxidermy specimens allow those borrowing to view Highland wildlife at close range and are also a great addition to your art class. *(All animal specimens are either road casualties or died naturally).*

Museum loans can bring a subject to life. Imagine getting to touch a 3000 year old object that you might only otherwise read about?

The Loans are available from Inverness Museum & Art Gallery free of charge for a two week period and must be returned by the agreed date.
