RECORDS' CONTEXT

Name of creators:	1 st Company Wick Boys' Brigade; Halkirk Boys' Brigade; Caithness Battalion Boys' Brigade
Administrative history:	<p>The Boys' Brigade was founded in Glasgow on 4th Oct 1883 by Sir William Alexander Smith and is a Christian organisation aimed at providing young people with a fun way to learn various skills and informal education. From this one Company formed in Scotland the BB has grown into a worldwide movement having worked with millions of children and young people for well over a century.</p> <p>Widespread organised camping for adolescents was something completely new in the late 19th century. The Founder's introduction of camping into the programme in 1886 was an innovation and helped to sow the seeds of one of the most popular recreational pastimes still enjoyed today. From this first camp held at Tighnabruich in 1886, thousands of members still enjoy holidays and residential activities as part of their Company programme each year.</p> <p>This collection is comprised of items gathered by members, leaders and secretaries, of the 1st Wick Boys' Brigade Company, Halkirk Boys' Brigade and Caithness Battalion Boys' Brigade.</p>

The 1st Wick Company was founded in 1886. The first section of this collection presents the records of the 1st Wick Company [see references P685/1-P685/6]

In May 1970 the eight Brigade companies in Caithness, Thurso, Wick, Halkirk, Keiss, Lybster, Watten and Dunbeath were organised to become the Caithness Battalion Boys' Brigade, while still retaining their own identity.

The Halkirk Boys Brigade began in 1947.

Records of the Halkirk Boys' Brigade and Caithness Battalion Boys' Brigade follow those of Wick [see references P685/7-P685/16]

More information on the Boys' Brigade can be found on their website:
