4. Discover a new topic or subject with these intelligent and serious introductions written by authors who are experts in their field.

Diplomacy: A Very Short Introduction 

Joseph M. Siracusa

Abstract
Diplomacy: A Very Short Introduction introduces diplomacy from a historical perspective, providing examples from significant historical phases and episodes to illustrate the art of diplomacy in action. Like making war, diplomacy has been around a very long time, at least since the Bronze Age. It was primitive with few rules, but it was a recognizable form of diplomacy. Diplomacy has evolved greatly, coming to mean different things, to different persons, at different times, ranging from the elegant to the inelegant. Whatever one's definition, few could doubt that the course and consequences of ... [More](#)
