

# Annual Library Profile 2022-2023

Cromarty Library

[www.highlifehighland.com](http://www.highlifehighland.com)

## Introduction

Library Profiles are prepared annually for each library within the Highland Libraries network as part of our commitment to service improvement, and to engage with our communities. They serve three main purposes:

- To assist local staff to evaluate the performance of their library in relation to their local community.
- To assist managers to monitor performance and plan service improvements across the wider network.
- To provide a concise document that can be offered to any person or organisation seeking information about a library.

Each library reflects its specific local community, making it unique. Any comparison of statistics such as issue figures must be made cautiously.

Performance and community information is based on library statistics, ward statistics or where available data relating to specific Integrated Learning Communities (Secondary school catchment areas)\*. Ward or census information can be found at: [http://www.highland.gov.uk/info/695/council\\_information\\_performance\\_and\\_statistics/575/highland\\_facts\\_and\\_figures](http://www.highland.gov.uk/info/695/council_information_performance_and_statistics/575/highland_facts_and_figures)
