

At Poolewe swimming pool we aim to be as inclusive as possible, therefore this page has been specifically created to offer information and advice to customers who may find having knowledge of our changing and showering facilities of benefit before visiting the centre.

#### **Wetside Changing – swimming pool**

Each of the male and female changing rooms lead off to their respective toilet and shower areas. The showering is of a communal nature with no individual cubicles; however we do have shower curtains to offer some privacy whilst changing.

There are no lockers at Poolewe however we do offer plastic storage boxes for your personal belongings and these can be stored on shelving on the poolside.
